LAUNCH

Tessel 2 works fully offline and syncs peer to peer

THE CHANGE

88%

Connectivity problems hit most workers every year

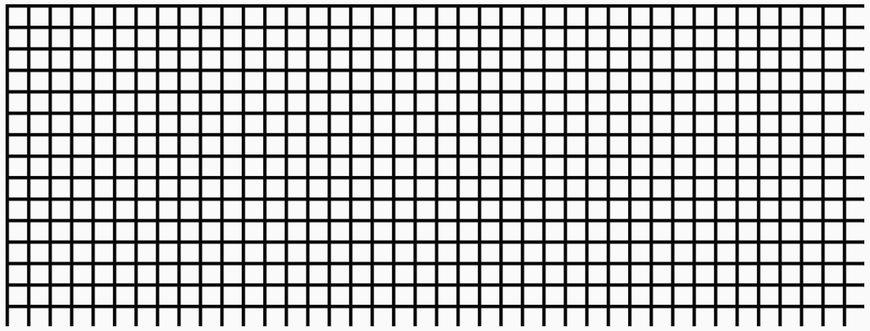

TeamViewer, 2025

Note-taking is a daily tool for millions of Americans

North America Market Reports, 2024

120 million+

Every note opens, edits and saves without a connection

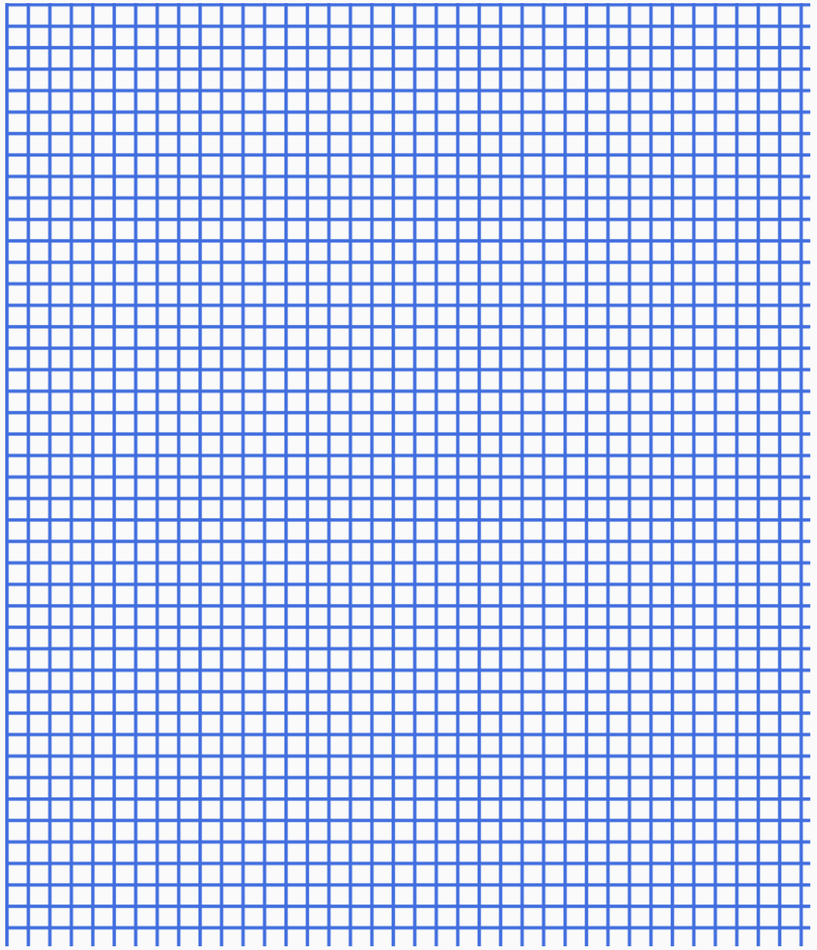

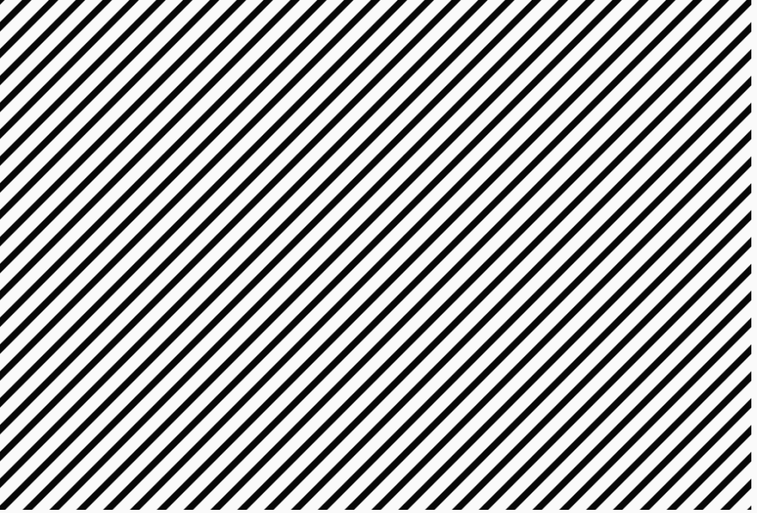

NEW: SYNC

Your devices sync directly with each other

Tessel 2 keeps working when the network drops

LIVE DEMO 06
